

GROUP HORSEMANSHIP FOR KIDS!

CLASSES (A) AGES 4-5 (B) AGES 6-8 (C) AGES 9-11 (D) AGES 12-14

Hi my name is Bridgette Harwood. I would like to invite you to The Bar Farm to experience our very fun, educational and affordable riding program. This class is geared for children between the ages of four and fourteen. After being a firm believer in one on one training for a long time, I started to notice that beginner students, (child and adult alike) when in a group setting progressed much faster then when learning alone. Watching each other seems to inspire, motivate and build confidence in a super easy way. This programs is designed to bring students as far as it can without coprimising the quality and efficiency of the time spent. This class will take your child right up to the point where private lessons should begin.

WHAT DO WE DO?

The first day we learn about safety and how to groom. We will have a question and answer time and even do a little riding! After that, each class will learn something new and continue practicing what we've learned the week before. Eventually students will know how to groom, lead, cross tie, halter, feed, muck, bathe, tack, have a pretty good understanding of horse terms and know position and
